PRESENTATION OF THE COMPANY H REYNAUD IN THE WORLD

Resolutely exporter (85 % of sales made out of France), HRF has furthered its policy by creating structures specially adapted to the different worldwide markets :

- Sales subsidiaries mainly aimed at the supply of raw materials to large multi-national groups,
- Subsidiaries for sales and adaptation of fragrances and flavors,
- Joint-ventures.
- Many agents all around the world

==> H.REYNAUD & FILS, a distribution network in more than 25 countries.

==> H.REYNAUD & FILS, more than 100 years of experience.

PRESENTATION OF THE COMPANY H REYNAUD PRODUCTS

PURE AND NATURAL ESSENTIAL OILS

Thanks to its experience, and located for more than a century in the distillation areas, HRF is the **leader in production and trading of French essential oils**. For more than half a century, HRF has established bonds with the main producers of essential oils in China, Indonesia, Pacific Islands, North and South America... which allows them to offer **the best essential oils and their derivatives directly from the production sites to the subsidiary nearest to the user.**
